

## Not A Surprise

---

Luke 24:1-8; 1 Thessalonians 5:4-6

*Do you remember a time when you were surprised?*

I can certainly relate when I hear the angel telling them to

---

*How often do we get so caught up in the worries and cares of this life that we forget how Jesus has told us to live in hope?*

*How often are we so enamored with this physical world that we forget that physical death is not the end?*

"God does not disclose the Resurrection FACT except to enlist people in a \_\_\_\_\_."

*(Paul Minear)*

*Remember what Jesus has said this Easter and don't be surprised at what happens next!*

---

### A GOOD AFTER-TASTE:

*Ruminate on God's Word this week and meditate on what the Holy Spirit wants to say to you using the following thought-provokers.*

Jesus rose from the dead! What a shocking development for everyone that first Easter! How do you think it would have changed things for the disciples had they remembered what He had told them?

What changes would you see in your life if you remembered everything Jesus has told you? What role does the Holy Spirit play in your life both to remember and to follow all that Jesus has told you?
